Grant is the Managing Principal Lawyer for our Dandenong office, whose commercial experience primarily focuses on mergers and acquisitions. He has acted for and advised a number of clients across a broad variety of industries on their acquisition or divestment over a range of transaction sizes.

Grant's understanding of multinational organisations places him in a unique position to provide quality advice and service on both cross-border and domestic transactions.

"Our job is to back our clients and support them to achieve their commercial objectives - not to get in the way. Understanding the commercial aspect of the decision and helping our client make that call is what they expect from us."
